

Exploring Careers in College: Finding the Right Fit

Presented by **Bright Horizons College Coach®**

August 11, 2026 | 2:00 p.m. ET | Live Webinar

In this workshop, our career planning team will help college students to:

- Determine core interests, values, and skills as they relate to potential careers
- Utilize informational and interpersonal resources to research careers of interest
- Narrow down options and evaluate careers for personal fit
- Understand campus resources that support career exploration and planning

Suggested for: College students
