

Multiple sclerosis: understanding your options

Webinar | August 20, 2026
1pm ET / 12pm CT / 10 am PT

Join our webinar with 2nd.MD specialist and neurologist, Ulrike W. Kaunzner, MD, PhD, for an informative presentation on multiple sclerosis (MS). Dr. Kaunzner will cover what experts currently understand about its causes, how it is diagnosed, and the latest treatment options.

We will also explain the value a second opinion brings for anyone with MS, whether at the time of initial diagnosis or to confirm you are still on the best treatment plan.

About 2nd.MD

2nd.MD connects you with expert second opinions so you can feel confident in your healthcare. When facing a new diagnosis, surgery or medication change, our extensive network of top specialists can help you understand your diagnosis and the latest treatment options.

Visit www.2nd.MD or call 1.866.841.2575 to learn more or request a consultation.

CALL 911 IMMEDIATELY IF YOU ARE HAVING A MEDICAL EMERGENCY. 2nd.MD is not an emergency service. 2nd.MD is an independent resource to support you in receiving information from Expert Medical Specialists. 2nd.MD does not practice medicine or provide patient care and is independent from the Specialists providing the expert medical consultations.
