Who is Eligible to Become Insured

FOR EMPLOYEE INSURANCE

You are eligible to become insured for Employee Insurance while:

- You are a full-time or part-time Employee of the Employer; and
- You are in a Covered Class; and
- You have completed the Employment Waiting Period, if any. You may need to work for the Employer for a continuous full-time or part time period before you become eligible for the Coverage. The period must be agreed upon by the Employer and Prudential. Your Employer will inform you of any such Employment Waiting Period for your class.

You are full-time if you are regularly working for the Employer at least the number of hours in the Employer's normal full-time work week for your class, but not less than 28 hours per week. **You are part-time** if you are regularly working for the Employer at least the number of hours in the Employer's normal part-time work week for your class, but not less than 20 hours per week. If you are a partner or proprietor of the Employer, that work must be in the conduct of the Employer's business.

Your class is determined by the Contract Holder. This will be done under its rules, on dates it sets. The Contract Holder must not discriminate among persons in like situations. You cannot belong to more than one class for insurance on each basis, Contributory or Non-contributory Insurance, under a Coverage. "Class" means Covered Class, Benefit Class or anything related to work, such as position or Earnings, which affects the insurance available.

This applies if you are an Employee of more than one subsidiary or affiliate of an employer included under the Group Contract: For the insurance, you will be considered an Employee of only one of those subsidiaries or affiliates. Your service with the others will be treated as service with that one.

The rules for obtaining Employee Insurance are in the When You Become Insured section.

FOR DEPENDENTS INSURANCE

You are eligible to become insured for Dependents Insurance while:

- You are eligible for Employee Insurance; and
- You have a Qualified Dependent.

Qualified Dependents:

These are the persons for whom you may obtain Dependents Insurance:

- A person who is your Spouse or Domestic Partner prior to their enrollment for Dependents Insurance.

Your Spouse means your lawful Spouse.

Your Domestic Partner is a person of the same or opposite sex who:

- (1) Satisfies the requirements for being a domestic partner, registered domestic partner or party to a civil union under the law of your jurisdiction of residence; or
- (2) Is a person of the same or opposite sex who satisfies all of the following:
 - (a) is age 18 or older; and
 - (b) is not related to you by blood or a degree of closeness that would prohibit marriage in the law of the jurisdiction in which you reside; and
 - (c) is mentally competent to consent to contract; and
 - (d) is not married to another person under statutory or common law nor in a domestic partnership, registered domestic partnership or civil union with another person; and
 - (e) is not otherwise a Qualified Dependent under the Program; and
 - (f) is in a single dedicated, serious and committed relationship with you; and
 - (g) has shared a single permanent residence with you for at least 12 consecutive months; and
 - (h) is financially interdependent with you.

Where requested by Prudential, you and/or your Domestic Partner certify that all of the above requirements are satisfied. Such certification shall be in a format satisfactory to Prudential.

Either a Spouse or a Domestic Partner may be a Qualified Dependent under the Program at any one time, but not both at the same time.

- Your children from live birth to 26 years old.

Your children include your legally adopted children, children placed with you for adoption prior to legal adoption, and each of your stepchildren and Domestic Partner's children. A child placed with you for adoption prior to legal adoption is considered your Qualified Dependent from the date of placement for adoption, and is treated as though the child was your newborn child.

Exceptions:

Your Spouse, Domestic Partner or child is not your Qualified Dependent while:

- (1) on active duty in the armed forces of any country; or
- (2) insured under the Group Contract as an Employee.

A child will not be considered the Qualified Dependent of more than one Employee. If this would otherwise be the case, the child will be considered the Qualified Dependent of the Employee named in a written agreement of all such Employees filed with the Contract Holder. If there is no written agreement, the child will be considered the Qualified Dependent of:

- (1) the Employee who became insured under the Group Contract with respect to the child, while the child was a Qualified Dependent of only that Employee; and otherwise

- (2) the Employee who has the longest continuous service with the Employer, based on the Contract Holder's records.

The rules for obtaining Dependents Insurance are in the When You Become Insured section.

When You Become Insured

FOR EMPLOYEE INSURANCE

Your Employee Insurance under a Coverage will begin the first day on which:

- You have enrolled, if the Coverage is Contributory; and
- You are eligible for Employee Insurance; and
- You are in a Covered Class for that insurance; and
- Your insurance is not being delayed under the Delay of Effective Date section below; and
- That Coverage is part of the Group Contract.

For Contributory Insurance, you must enroll on a form approved by Prudential and agree to pay the required contributions. Your Employer will tell you whether contributions are required and the amount of any contribution when you enroll.

At any time, the benefits for which you are insured are those for your class, unless otherwise stated.

FOR DEPENDENTS INSURANCE

Your Dependents Insurance under a Coverage for a person will begin the first day on which all of these conditions are met:

- You have enrolled for the person for Dependents Insurance under the Coverage, if the Coverage is Contributory.
- The person is your Qualified Dependent.
- You are in a Covered Class for that insurance.
- You are insured for Employee Insurance under the Accidental Death and Dismemberment Coverage of the Group Contract, if any.
- Dependents Insurance under that Coverage is part of the Group Contract.

For Contributory Insurance, you must enroll your Qualified Dependent on a form approved by Prudential and agree to pay the required contributions. Your Employer will tell you whether contributions are required and the amount of any contribution when you enroll your Qualified Dependent.

At any time, the Dependents Insurance benefits for which you are insured are those for your class, unless otherwise stated.

Change in Family Status: It is important that you inform the Employer promptly when you first acquire or lose a Qualified Dependent, and when you no longer have a Qualified Dependent. Forms are available for reporting these changes.

Delay of Effective Date

FOR EMPLOYEE INSURANCE

Your Employee Insurance under a Coverage will be delayed if you do not meet the Active Work Requirement on the day your insurance would otherwise begin. Instead, it will begin on the first day you meet the Active Work Requirement and the other requirements for the insurance. The same delay rule will apply to any increase in your insurance that is subject to this section. If you do not meet the Active Work Requirement on the day that an increase would take effect, it will take effect on the day you meet that requirement.

General Information

BENEFICIARY RULES

The rules in this section apply to insurance payable on account of your death, when the Coverage states that they do. But, if there is an assignment, these rules are modified by the Limits on Assignments section.

"Beneficiary" means a person chosen, on a form approved by Prudential, to receive the insurance benefits.

You have the right to choose a Beneficiary.

If there is a Beneficiary for the insurance under a Coverage, it is payable to that Beneficiary. Any amount of insurance under a Coverage for which there is no Beneficiary at your death will be payable to the first of the following: your (a) surviving Spouse or Domestic Partner; (b) surviving child(ren) in equal shares; (c) surviving parents in equal shares; (d) surviving siblings in equal shares; (e) estate. This order will apply unless otherwise provided in the Limits on Assignments.

You may change the Beneficiary at any time without the consent of the present Beneficiary. The Beneficiary change form must be filed through the Contract Holder. The change will take effect on the date the form is signed. But it will not apply to any amount paid by Prudential before it receives the form.

If there is more than one Beneficiary but the Beneficiary form does not specify their shares, they will share equally. If a Beneficiary dies before you, that Beneficiary's interest will end. It will be shared equally by any remaining Beneficiaries, unless the Beneficiary form states otherwise.

If you and a Beneficiary die in the same event and it cannot be determined who died first, the insurance will be payable as if that Beneficiary died before you.

LIMITS ON ASSIGNMENTS

You may assign your insurance under a Coverage. Any rights, benefits or privileges that you have as an Employee may be assigned without restriction. This includes any right you have to choose a Beneficiary or to convert to another contract of insurance. Prudential will not decide if an assignment does what it is intended to do. Prudential will not be held to know that one has been made unless it or a copy is filed with Prudential through the Contract Holder.

This paragraph applies only to insurance for which you have the right to choose a Beneficiary, when that right has been assigned. If an assigned amount of insurance becomes payable on account of your death and, on the date of your death, there is no Beneficiary chosen by the assignee, it will be payable to:

- (1) the assignee, if living; or
- (2) the estate of the assignee, if the assignee is not living.

It will not be payable as stated in the Beneficiary Rules.

DEFINITIONS

Active Work Requirement: A requirement that you be actively at work on a full time or part time basis at the Employer's place of business or at any other place that the Employer's business requires you to go. Calendar Year: A year starting January 1.

Contributory Insurance, Non-contributory Insurance: Contributory Insurance is insurance for which the Contract Holder has the right to and may require your direct contribution to the cost of coverage. Non-contributory Insurance premiums are paid by the Contract Holder, usually without direct contribution from you. The rate for Non-contributory insurance may be determined, or in some cases, reduced, in part, based on your contributions for contributory insurance or other benefits offered to you under the Contract Holder benefit plan.

Coverage: A part of the Booklet consisting of:

- (1) A benefit page labeled as a Coverage in its title.
- (2) Any page or pages that continue the same kind of benefits.
- (3) A Schedule of Benefits entry and other benefit pages or forms that by their terms apply to that kind of benefits.

The Employer: Collectively, all employers included under the Group Contract.

CLAIM RULES

These rules apply to payment of benefits under all accident Coverages.

Notice of Claim: Prudential must be given written notice that a claim will be made. The notice must be given to Prudential within 20 days after the date of the loss. But failure to meet that time limit will not make the claim invalid if the notice is given as soon as reasonably possible.

Proof of Loss: Prudential must be given written proof of the loss including any requested documentation, such as a death certificate, for which claim is made under the Coverage. This proof must cover the occurrence, character and extent of that loss. A claim form will be furnished for submitting proof of loss. But, if you are not given a claim from within 15 working days after providing notice of claim, you must still submit the proof of loss.

Proof of loss must be furnished within 120 days after the date of the loss. But, if any Coverage provides for periodic payment of benefits at monthly or shorter intervals, the proof of loss for each such period must be furnished within 120 days after its end.

A claim will not be considered valid unless the proof is furnished within these time limits. However, it may not be reasonably possible to do so. In that case, the claim will still be considered valid if the proof is furnished as soon as reasonably possible.

When Benefits are Paid: Benefits are paid when Prudential receives written proof of the loss including any requested documentation, such as a death certificate. But, if a Coverage provides that benefits are payable at equal intervals of a month or less, Prudential will not have to pay those benefits more often.

To Whom Payable: Benefits are payable to you with these exceptions:

- (1) Benefits for Tuition reimbursement for your Spouse or Domestic Partner will be paid to:
 - (a) your Spouse or Domestic Partner, if living; or
 - (b) your Spouse's or Domestic Partner's estate, if your Spouse or Domestic Partner is not living.
- (2) Benefits for Tuition reimbursement for your child or child care expenses will be paid to the person or institution appearing to Prudential to have assumed the main support of your dependent children.
- (3) Benefits for parental care expenses will be paid to the person or institution appearing to Prudential to have assumed their main care and support.
- (4) Benefits for monthly medical premium for your Spouse or Domestic Partner or children will be paid to:
 - (a) your Spouse or Domestic Partner, if living; or
 - (b) the person or institution appearing to have assumed the main support of your children.
- (5) Benefits for any other of your Accidental Losses that are unpaid at your death or become payable on account of your death will be paid to your Beneficiary or Beneficiaries. (See Beneficiary Rules.)

If you and a Beneficiary die in the same event and it cannot be determined who died first, benefits will be payable as if that Beneficiary died before you.

- (6) If you are not living, benefits for a dependent's Accidental Losses are payable to your Spouse or Domestic Partner if your Spouse or Domestic Partner is living. If neither you nor your Spouse or Domestic Partner is living, then:
 - (a) benefits for a Spouse's or Domestic Partner's Accidental Losses will be paid to your Spouse's or Domestic Partner's estate.
 - (b) benefits for any other dependents Accidental Losses will be paid to the dependent who suffered the Accidental Loss. If that dependent is not living, the benefits will be paid to that dependent's estate.

Physical Exam and Autopsy: Prudential, at its own expense, has the right to examine the person whose loss is the basis of claim. Prudential may do this when and as often as is reasonable while the claim is pending. Prudential also has the right to arrange for an autopsy in case of accidental death, if it is not forbidden by law.

Legal Action: No action at law or in equity shall be brought to recover on the Group Contract until 60 days after the written proof described above is furnished. No such action shall be brought more than three years after the end of the time within which proof of loss is required.

INCONTESTABILITY OF INSURANCE TO WHICH THE CLAIM RULES APPLY

This limits Prudential's use of a person's statements in contesting an amount of that insurance for which the person is insured. These are statements made to persuade Prudential to effect an amount of that insurance. They will be considered to be made to the best of the person's knowledge and belief. These rules apply to each statement:

- (1) It will not be used in a contest to avoid or reduce that amount of insurance unless:
 - (a) It is in a written instrument signed by the person; and
 - (b) A copy of that instrument is or has been furnished to the person.
 - (2) It will not be used in the contest after that amount of insurance has been in force, before the contest, for at least two years during the person's lifetime.
-

When Your Insurance Ends

EMPLOYEE AND DEPENDENTS INSURANCE

Your Employee Insurance under a Coverage or your Dependents Insurance under a Coverage will end when the first of these occurs:

- You are no longer in the Covered Classes for the insurance because your employment ends (see below) or because your class changes.
- Your class is removed from the Covered Classes for the insurance.
- The part of the Group Contract providing the insurance ends.
- You make a written request to the Contract Holder to end your Employee or Dependents Insurance under a Coverage.
- You fail to pay, when due, any contribution required for an insurance of the Group Contract. But, failure to contribute will not cause Non-Contributory Insurance to end, and failure to contribute for Dependents Insurance will not cause your Employee Insurance to end.
- The insurance is Dependents Insurance under the Accidental Death and Dismemberment Coverage and your Employee Insurance under that Coverage ends.

Your Dependents Insurance for a Qualified Dependent under a Coverage will end when that person ceases to be a Qualified Dependent for that Coverage. (See Continued Coverage for an Incapacitated Child below.)

End of Employment: For insurance purposes, your employment will end when you are no longer a full-time or part-time Employee actively at work for the Employer. But, under the terms of the Group Contract, the Contract Holder may consider you as still employed in the Covered Classes during certain types of absences from full-time or part-time work. This is subject to any time limits or other conditions stated in the Group Contract.

If you stop active full-time or part-time work for any reason, you should contact the Employer at once to determine what arrangements, if any, have been made to continue any of your insurance.

Continued Coverage for an Incapacitated Child: This applies to the Dependents Insurance you have for a child. The insurance for the child will not end on the date the age limit in the definition of Qualified Dependent is reached if both of these are true:

- (1) The child is then mentally or physically incapable of earning a living. Prudential must receive proof of this within the next 31 days.
- (2) The child otherwise meets the definition of Qualified Dependent.

If these conditions are met, the age limit will not cause the child to stop being a Qualified Dependent under that Coverage. This will apply as long as the child remains so incapacitated.

Plan Sponsor's Designation of Prudential As Claims Administrator

It is the Plan Sponsor's intention and direction that The Prudential Insurance Company of America as Claims Administrator has the sole discretion to interpret the terms of the plan, to make factual findings, and to determine eligibility for benefits. The Plan Sponsor has determined that benefits are payable under the plan only if The Prudential Insurance Company of America, in its sole discretion, determines that they are due. The decision of the Claims Administrator shall not be overturned unless arbitrary and capricious. *

* This paragraph does not apply to residents of AK, AR, CA, CO, DC, IL, KY, MD, ME, MI, NJ, NY, OR, PR, RI, SD, TX, VT, WA

Plan Sponsor, Policyholder and Employer not Agents of Prudential

The Group Contract underwritten by The Prudential Insurance Company of America provides insured benefits under your Employer/Policyholder/Plan Sponsor's ERISA plan(s). For all purposes associated with the plan or the Group Contract under which The Prudential Insurance Company of America provides benefits, the Employer/Policyholder/Plan Sponsor acts on its own behalf or as an agent of its employees. Under no circumstances will the Employer/Policyholder/Plan Sponsor be deemed the agent of The Prudential Insurance Company of America, absent a written authorization of such status executed between the Employer/Policyholder/Plan Sponsor and The Prudential Insurance Company of America. Nothing in these documents shall, of themselves, be deemed to be such a written authorization.

Allocation of Contributions

The insurance benefit coverages described in this Booklet are being offered to you under a single ERISA plan. Coverages described as non-contributory or as being paid entirely by the Employer/Policyholder/Plan Sponsor (if any) are those paid for directly by the Employer/Policyholder/Plan Sponsor such that you have no out of pocket expense for such coverages. However, the premium rate that the Employer/Policyholder/Plan Sponsor pays for insurance coverage offered to you under the Plan may be determined, or in some cases, reduced, in part, based on your contributions for other coverages or other benefits offered under the Plan. When this occurs, your contributions for one benefit coverage may cover some or all of the costs or plan expenses for another benefit coverage offered to you under the Plan.

Loss of Benefits

You must continue to be a member of a class of eligible employees or beneficiaries to which the plan pertains and continue to make any contributions or payments that are due, including those you agreed to when you enrolled for coverage. Failure to make required contributions may result in partial or total loss of your benefits.

Plan Sponsor May Amend or Terminate the Plan at any Time

It is intended that this plan will be continued for an indefinite period of time. But, the Plan Sponsor reserves the right to change or terminate the plan at any time. This Booklet elsewhere describes your rights upon termination of the plan.

Claim Procedures

1. Determination of Benefits

Prudential shall notify you of the claim determination within 45 days of the receipt of your claim. This period may be extended by 30 days if such an extension is necessary due to matters beyond the control of the plan. A written notice of the extension, the reason for the extension and the date by which the plan expects to decide your claim, shall be furnished to you within the initial 45-day period. This period may be extended for an additional 30 days beyond the original 30-day extension if necessary due to matters beyond the control of the plan. A written notice of the additional extension, the reason for the additional extension and the date by which the plan expects to decide on your claim, shall be furnished to you within the first 30-day extension period if an additional extension of time is needed. However, if a period of time is extended due to your failure to submit information necessary to decide the claim, the period for making the benefit determination by Prudential will be tolled (i.e., suspended) from the date on which the notification of the extension is sent to you until the earlier of the date on which you respond to the request for additional information, or the 45th day following the expiration of the initial 45-day claim review period.

If your claim for benefits is denied, in whole or in part, you or your authorized representative will receive a written notice from Prudential of your denial. The notice will include:

- (a) the specific reason(s) for the denial, which will include a discussion of the decision describing, if applicable, the basis for disagreeing with or not following (i) the views of healthcare professionals treating you and vocational experts who evaluated you, (ii) the views of medical or vocational experts whose advice was obtained on behalf of the plan in connection with your adverse benefit determination, without regard to whether the advice was relied upon in making the benefit determination, and (iii) an award of Social Security Administration disability benefits,
- (b) references to the specific plan provisions on which the benefit determination was based,
- (c) a description of any additional material or information necessary for you to perfect a claim and an explanation of why such information is necessary,
- (d) a statement that you are entitled to receive, upon request and free of charge, reasonable access to, and copies of, all documents, records, and other information relevant to your claim for benefits,
- (e) a description of Prudential's appeals procedures and applicable time limits, including a statement of your right to bring a civil action under section 502(a) of ERISA following your appeals,
- (f) a statement that, if an adverse benefit determination is based on a medical necessity or experimental treatment or similar exclusion or limit, an explanation of the scientific or clinical judgment for the determination will be provided free of charge upon written request, and

- (g) copies of any internal rules, guidelines, protocols, standards or other similar criteria relied upon in making this determination or, alternatively, a statement that such rules, guidelines, protocols, standards or other similar criteria do not exist.

2. Appeals of Adverse Determination

If your claim for benefits is denied, you or your representative may appeal your denied claim in writing to Prudential within 180 days of the receipt of the written notice of denial or 180 days from the date such claim is deemed denied. Similarly, if Prudential does not decide your claim within the time described in Section 1 above, you may appeal, although you are not required to do so. You may submit with your appeal any written comments, documents, records and any other information relating to your claim. Upon your request, you will also have access to, and the right to obtain copies of, all documents, records and information relevant to your claim free of charge.

A full review of the information in the claim file and any new information submitted to support the appeal will be conducted by Prudential, utilizing individuals not involved in the initial benefit determination. This review will not afford any deference to the initial benefit determination.

Prudential shall make a determination on your appeal within 45 days of the receipt of your appeal request. This period may be extended by up to an additional 45 days if Prudential determines that special circumstances require an extension of time. A written notice of the extension, the reason for the extension and the date that Prudential expects to render a decision shall be furnished to you within the initial 45-day period. However, if the period of time is extended due to your failure to submit information necessary to decide the appeal, the period for making the benefit determination will be tolled (i.e., suspended) from the date on which the notification of the extension is sent to you until the earlier of the date on which you respond to the request for additional information or the 45th day from the expiration of the initial 45-day appeal review period.

Prudential will provide you, free of charge and prior to any adverse decision on appeal, with any new or additional evidence that is considered by Prudential in connection with the claim (including evidence that may be the basis for denial as well as any evidence that may support granting the claim), and any new or additional rationale that will form the basis for the Prudential's decision on appeal. Any such evidence will be provided as soon as possible and sufficiently in advance of the date on which the notice of adverse benefit determination must be provided in order to give you a reasonable opportunity to respond prior to that date.

If the appeal is denied in whole or in part, you will receive a written notification from Prudential of the denial. The notice will include:

- (a) the specific reason(s) for the adverse determination, which will include a discussion of the decision describing, if applicable, the basis for disagreeing with or not following (i) the views of healthcare professionals treating you and vocational experts who evaluated you, (ii) the views of medical or vocational experts whose advice was obtained on behalf of the plan in connection with your adverse benefit determination, without regard to whether the advice was relied upon in making the benefit determination, and (iii) an award of Social Security Administration disability benefits,
- (b) references to the specific plan provisions on which the determination was based,

- (c) a statement that you are entitled to receive upon request and free of charge reasonable access to, and make copies of, all records, documents and other information relevant to your benefit claim upon request,
- (d) a description of Prudential's review procedures and applicable time limits,
- (e) a statement that if an adverse benefit determination is based on a medical necessity or experimental treatment or similar exclusion or limit, an explanation of the scientific or clinical judgment for the determination will be provided free of charge upon written request,
- (f) copies of any internal rules, guidelines, protocols, standards or other similar criteria relied upon in making this determination or, alternatively, a statement that such rules, guidelines, protocols, standards or other similar criteria do not exist, and
- (g) a statement describing any appeals procedures offered by the plan, and your right to bring a civil suit under ERISA.

If a decision on appeal is not furnished to you within the time frames mentioned above, the claim shall be deemed denied on appeal.

If the appeal of your benefit claim is denied, you or your representative may make a second, voluntary appeal of your denial in writing to Prudential within 180 days of the receipt of the written notice of denial or 180 days from the date such claim is deemed denied. Similarly, if Prudential does not decide your appeal within the time described in Section 1 above, you may appeal again, although you are not required to do so. You may submit with your second appeal any written comments, documents, records and any other information relating to your claim. Upon your request, you will also have access to, and the right to obtain copies of, all documents, records and information relevant to your claim free of charge.

Prudential shall make a determination on your second claim appeal within 45 days of the receipt of your appeal request. This period may be extended by up to an additional 45 days if Prudential determines that special circumstances require an extension of time. A written notice of the extension, the reason for the extension and the date by which Prudential expects to render a decision shall be furnished to you within the initial 45-day period. However, if the period of time is extended due to your failure to submit information necessary to decide the appeal, the period for making the benefit determination will be tolled from the date on which the notification of the extension is sent to you until the earlier of the date on which you respond to the request for additional information or the 45th day following the expiration of the second 45-day appeal review period.

Your decision to submit a benefit dispute to this voluntary second level of appeal has no effect on your right to any other benefits under this plan. If you elect to initiate a lawsuit without submitting to a second level of appeal, the plan waives any right to assert that you failed to exhaust administrative remedies. If you elect to submit the dispute to the second level of appeal, the plan agrees that any statute of limitations or other defense based on timeliness is tolled during the time that the appeal is pending.

If the claim on appeal is denied in whole or in part for a second time, you will receive a written notification from Prudential of the denial. The notice will be written in a manner calculated to be understood by the applicant and shall include the same information that was included in the first adverse determination letter. If a decision on appeal is not furnished to you within the time frames mentioned above, the claim shall be deemed denied on appeal.

Time Limit To File Suit

If your claim for benefits and any required appeals are denied (or not decided within the time periods discussed above), you may file suit as discussed below. If you elect to file suit, you should do so as soon as possible. However, you must file suit no later than three years after proof of your claim was first due as explained elsewhere in this Booklet, regardless of whether your claim is still pending in the claim or appeal process.

Rights and Protections

As a participant in this plan, you are entitled to certain rights and protections under the Employee Retirement Income Security Act of 1974 (ERISA), as amended. ERISA provides that all plan participants shall be entitled to:

Receive Information about Your Plan and Benefits

- Examine, without charge, at the plan administrator's office and at other specified locations, such as worksites and union halls, all documents governing the plan, including insurance contracts and collective bargaining agreements, and a copy of the latest annual report (Form 5500 Series) filed by the plan with the U.S. Department of Labor and available at the Public Disclosure Room of the Employee Benefits Security Administration.
- Obtain, upon written request to the plan administrator, copies of documents governing the operation of the plan, including insurance contracts and collective bargaining agreements, and copies of the latest annual report (Form 5500 Series) and updated summary plan description. The plan administrator may make a reasonable charge for the copies.
- Receive a summary of the plan's annual financial report. The plan administrator is required by law to furnish each participant with a copy of this summary annual report.

Prudent Actions by Plan Fiduciaries

In addition to creating rights for plan participants, ERISA imposes duties upon the people who are responsible for the operation of the employee benefit plan. The people who operate your plan, called "fiduciaries" of the plan, have a duty to do so prudently and in the interest of you and other plan participants and beneficiaries. No one, including the Plan Sponsor, your employer, your union, or any other person, may fire you or otherwise discriminate against you in any way to prevent you from obtaining a welfare benefit or exercising your rights under ERISA.

Enforce Your Rights

If your claim for a welfare benefit is denied or ignored, in whole or in part, you have a right to know why this was done, to obtain copies of documents relating to the decision without charge, and to appeal any denial, all within certain time schedules.

Under ERISA, there are steps you can take to enforce the above rights. For instance, if you request a copy of plan documents or the latest annual report from the plan and do not receive them within 30 days, you may file suit in a Federal court. In such a case, the court may require the plan administrator to provide the materials and pay you a fine that accrues on a daily basis (based on amounts set by the Department of Labor) from the time the materials were due to you until you receive the materials, unless the materials were not sent because of reasons beyond the control of the administrator. If you have a claim for benefits which is denied or ignored, in whole or in part, you may file suit in a state or Federal court. If it should happen that plan fiduciaries misuse the plan's money, or if you are discriminated against for asserting your rights, you may seek assistance from the U.S. Department of Labor, or you may file suit in a Federal

court. The court will decide who should pay court costs and legal fees. If you are successful, the court may order the person you have sued to pay these costs and fees. If you lose, the court may order you to pay these costs and fees, for example, if it finds your claim is frivolous.

Assistance with Your Questions

If you have any questions about your plan, you should contact the plan administrator. If you have any questions about this statement or about your rights under ERISA, or if you need assistance in obtaining documents from the plan administrator, you should contact the nearest office of the Employee Benefits Security Administration, U.S. Department of Labor, listed in your telephone directory or the Division of Technical Assistance and Inquiries, Employee Benefits Security Administration, U.S. Department of Labor, 200 Constitution Avenue N.W., Washington, DC 20210. You may also obtain certain publications about your rights and responsibilities under ERISA by calling the publications hotline of the Employee Benefits Security Administration.
