***NOTICE:** If you are a federal student loan borrower you should take time now to prepare for your payments to restart, including the opportunity to refinance your student loan debt at a lower APR or to extend your term to achieve a lower monthly payment. Please note that once you refinance federal student loans you will no longer be eligible for current or future flexible payment options available to federal loan borrowers, including but not limited to income-based repayment plans or extended repayment plans.

Financial Tips & Strategies: The tips provided on this website are of a general nature and do not take into account your specific objectives, financial situation, and needs. You should always consider their appropriateness given your own circumstances.

Notice: SoFi's Refinance Loan is a private student loan. Understand that when you refinance federal loans, you forfeit all flexible federal repayment options that are or may become available to federal student loan borrowers. If you expect to incur financial hardship that would affect your ability to repay, you should consider federal consolidation loan options.

Terms and conditions apply. SOFI RESERVES THE RIGHT TO MODIFY OR DISCONTINUE PRODUCTS AND BENEFITS PROSPECTIVELY BASED ON MARKET CONDITIONS AND BORROWER ELIGIBILITY. Your existing student loan(s) must total a minimum of \$5,000 to be eligible for refinancing. Additional terms and conditions may apply. To qualify, a borrower must be a U.S. citizen or other eligible status, be residing in the U.S., have graduated with an associate degree or higher from an eligible Title-IV-accredited college or graduate program, and meet SoFi's pre-established underwriting requirements, including verification of sufficient income to support your ability to repay; see [SoFi.com/eligibility](https://sofi.com/eligibility). **Lowest rates reserved for the most creditworthy borrowers. You may pay more interest over the life of the loan if you refinance with an extended term. SoFi refinance loans are private student loans and do not have the same repayment options that the federal loan program offers, or may become available, such as Income-Based Repayment or Income-Contingent Repayment or PAYE.** Information current as of 10/10/23 and subject to change.
