

Routine checkups can be a lifesaver

Plus, your Health Screening Benefit pays for completing covered wellness checks!

The MetLife Health Screening Benefit (HSB)¹ pays a cash benefit payment of **\$50** for your MetLife Critical Illness coverage. This benefit extends to any covered dependents and can be utilized each calendar year to help you keep health a priority.

How to get paid for staying well

1. Complete a covered test, such as:

- Routine health, dental, or vision checkup
- Electrocardiogram (EKG)
- Chest x-rays

2. Confirm your screening online

Visit mybenefits.metlife.com to easily file your claim.

3. Get your cash benefit payment

You can use it on anything to make you feel better—anything!

Recent enhancements

1. The Health Screening Benefit may not be available in all states. In some states, the benefit is referred to as the Accident Prevention Screening Benefit.
2. All screening tests may not be included with your plan. See your certificate for a complete list of screening tests covered under your plan

METLIFE CRITICAL ILLNESS INSURANCE (CII) IS A LIMITED BENEFIT GROUP INSURANCE POLICY. Like most group accident and health insurance policies, MetLife's CII policies contain certain exclusions, limitations and terms for keeping them in force. Product features and availability may vary by state. The plan may include a pre-existing condition exclusion. After a covered condition occurs, there is a benefit suspension period during which benefits will not be paid for a recurrence, except in the case of individuals covered under a New York certificate. MetLife offers CII with either Attained Age or Issue Age rates. Attained Age rates are based on 5-year age bands and will increase when a Covered Person reaches a new age band. MetLife's Issue Age CII is guaranteed renewable and may include a Benefit Reduction Due to Age provision. Premium rates for MetLife's Issue Age CII are based on age at the time of the initial coverage effective date and will not increase due to age; premium rates for increases in coverage, including the addition of dependents' coverage, if applicable, will be based on the covered person's age at the time of the initial coverage effective date. Rates are subject to change for MetLife's Issue Age CII on a class-wide basis. A more detailed description of the benefits, limitations and exclusions applicable can be found in the applicable Disclosure Statement or Outline of Coverage/Disclosure Document available at time of enrollment. For complete details of coverage and availability, please refer to the group policy form GPNP07-CI, GPNP09-CI, GPNP10-CI, GPNP14-CI or contact MetLife for more information. Benefits are underwritten by Metropolitan Life Insurance Company, New York, New York. MetLife's Critical Illness Insurance is not intended to be a substitute for Medical Coverage providing benefits for medical treatment, including hospital, surgical and medical expenses. MetLife's Critical Illness Insurance does not provide reimbursement for such expenses.
